

BANKS THAT FAIL

Decrease in the number of actual National bank failures for the first five months of 1922, as compared with the same period last year, has been reported from the office of the Controller of Currency. Although the total number of suspensions for the five months was the same—twenty-seven—for each year, there were only fifteen institutions which went into the hands of receivers this year, as compared with twenty-two the year before.

TAX BOARDS MUST RAISE ASSESSMENTS

The State Tax Commission cannot send its field men into a county and make a house to house reassessment of property, the Court of Appeals held in the suit of Fayette county against the commission. The county boards of supervisors, must, however, meet increases ordered by the commission.

The court based its decision on the fact that the section of the State tax law providing for the State Tax Commission equalizing the assessment of counties by ordering increases, was passed after the section which provided for a house to house canvass and held that the equalization section repealed the original section. An error in printing the published volume of the Kentucky Statutes was held by the court to be responsible for the fact that both sections appear in the statute.

Lydia E. Pinkham's Vegetable Compound Often Does That.—Read Mrs. Miner's Testimony

Churubusco, N. Y.—"I was under the doctor's care for over five years for backache and had no relief from his medicine. One day a neighbor told me about your Vegetable Compound and I took it. It helped me so much that I wish to advise all women to try Lydia E. Pinkham's Vegetable Compound for female troubles and backache. It is a great help in carrying a child, as I have noticed a difference when I didn't take it. I thank you for this medicine and if I ever come to this point again I do not want to be without the Vegetable Compound. I give you permission to publish this letter so that all women can take my advice."—Mrs. FRED MINER, Box 102, Churubusco, N. Y.

It's the same story over again. Women suffer from ailments for years. They try doctors and different medicines, but feel no better. Finally they take Lydia E. Pinkham's Vegetable Compound and you can see its value in the case of Mrs. Miner.

That's the truth of the matter. If you are suffering from any of the troubles women have, you ought to try this medicine. It can be taken in safety by young or old, as it contains no harmful drugs.
